A. General Principles							
A1. Strategy, Policy and Targets							
	Environmental, social and corporate governance (ESG) issues with priority, risks and opportunities in relation thereto, have been determined by the company’s board of directors.	X					2021 Sustainability Report / Page 30 https://www.kap.org.tr/en/Bildirim/1090754
A1.1	ESG policies (for instance; Environmental Policy, Energy Policy, Human Rights and Employee Policy etc.) have been composed by the company’s board of directors, and have been announced to the public accordingly.			X		The Bank's "Sustainability Policy" which is a framework on principles regarding protection of the environment, human rights, social welfare and good governance; has been published publicly. In addition to this, the Human Resources Policy, Principles on Banking Ethics, Remuneration Policy, Disclosure Policy and the Donation and Aid Policy are available on the Bank's corporate web site. The Bank's Personnel Regulation is applied Internally, however has not been announced to public.	https://www.icbc.com.tr/en/investor-relations/pdf-list/Policies/315/0/0 https://www.icbc.com.tr/en/investor-relations/pdf-list/Sustainability-Policy/1824/4833/0
A1.2	Short and long term targets set within the scope of the ESG policies, have been announced to public.		X			Strategies in line with the ESG and the risks and opportunities, have not been set yet; however, they are planned to be set in the Sustainability	

						Committee which we have established. After short, mid and long term ESG targets are completed, it is intended make an announcement to the public.	
A2. Implementation / Tracing							
	Committees and/or units in charge of conducting the ESG policies and the highest ranking officers in relation to ESG matters at the Company, and their duties, have been set and announced to the public.	X					https://www.icbc.com.tr/en/investor-relations/pdf-list/Committee-Structure/1823/4832/0
A2.1	Activities carried out by responsible committee and/or unit, within the scope of the policies, have been reported to the board of directors, at least once a year.			X		The Sustainability Committee has been established on the date of 28.12.2022, and shall start its activities in 2023. According to the Committee's procedure, it shall report to the board of directors, at least once a year.	https://www.kap.org.tr/en/Bildirim/1090745
A2.2	Implementation and action plans have been composed in line with the ESG targets, and they have been announced to the public accordingly.			X		In the Annual Report, strategic development plan for 3 years, has been described. In the 3 years strategic development plans which shall be announced in the future, in parallel with the targets of ICBC Group, it is projected to describe the ESG contents as well. Furthermore, at the Sustainability Committee that has been established, it is planned to conduct the works intended to set the ESG strategies and targets, to compose the action plans.	2022 Annual Report / ICBC Turkey's Strategic Development Plan (2021-2023) https://www.kap.org.tr/en/Bildirim/1090745
A2.3	ESG Key Performance Indicators (KPI) and the level of achieving said indicators on yearly basis; have been announced to public.	X					2021 Sustainability Report / Page 65
A2.4	Activities intended to improve sustainability performance with regards to business processes or products and services, have been disclosed to public.	X					2022 Annual Report / Sustainability

A3. Reporting						
A3.1	In the annual reports, information regarding the company's sustainability performance, targets and actions, has been given comprehensibly, correctly and adequately.			X		In the 3 years strategic development plans which shall be announced in the future in parallel with the targets of ICBC Group, ESG contents are also planned to be described. 2022 Annual Report / Sustainability
A3.2	The company has disclosed to public the information on the goals among the United Nations (UN) 2030 Sustainable Development Goals, that are related to the company's operations.	X				2022 Annual Report / Sustainability 2021 Sustainability Report / Page 34
A3.3	Lawsuits which have been commenced and/or finalised regarding ESG matters, which are of significant nature with regards to ESG policies and/or which shall significantly affect the operations; have been disclosed to the public.	X				There is no lawsuit in the reporting period. 2022 Annual Report / Other General Information 2021 Sustainability Report / Page 69-75
A4. Verification						
A4.1	The company's ESG Key Performance assessments have been verified by independent third party and have been disclosed to public accordingly.		X			For ESG Key Performance assessments, verification service is not received from independent third parties yet.
B. Environmental Principles						
B1	The company has announced, to public, its policies and practices, action plans in the field of environmental management, its environmental management systems (known by ISO 14001 standard) and programs.		X			Since the system documentation process is continuing, it has not been disclosed to public yet.
B2	When giving the information relating to environmental management; with regards to the environmental reports prepared, scope of the report, reporting period, reporting date, restrictions regarding reporting conditions, have been disclosed to the public.	X				2021 Sustainability Report / Page 4
B3	Given in A2.1.	X				
B4	Environmental goals included in the rewarding criteria within the scope of the performance incentive systems on the basis of stakeholders (such as members of the Board of Directors, managers and employees), have been disclosed to the public.		X			There is no criterion that is currently applied or that has been disclosed to the public. At the Sustainability Committee that has been established, it is planned to conduct the works intended to set the ESG strategies and

						targets, to compose the action plans.	
B5	How the prioritized environmental issues are integrated into business objectives and strategies has been disclosed to the public.					As ICBC Turkey Bank, taking into consideration the customer portfolio and that target potential customer group, particularly after 2015, intermediation has been started to be provided for financing of project credits. Each project is evaluated in details by related Departments and the Credit Committees, taking into consideration whether our Bank is the sole financier or participates in a syndication, and particularly the projects which may cause an adverse environmental effect, and the projects, in the EIE (<i>Environmental Impact Evaluation</i>) reports of which there are incomplete or adverse aspects, are handled with more sensitivity. It is abstained to be a financier, particularly for projects which may have adverse environmental effect. In the projects, which may have adverse environmental effects consequently, articles that require provision of positive EIE reports, are stipulated in the credit agreements, as a precondition before disbursement of the credit. Any deficiency, adversity, cancellation situations which may	
		X					

					<p>occur in the EIE Reports subsequently, are followed closely, and when required, actions are taken quickly. There is no written policy regarding evaluation processes, however the “List of Restricted Companies”, received from the Internal Control and Compliance Department, limited lists received from the Credit Allocation Department, by which counterparty risks are considered, and industry analyses of the firms which have commercial risk and are categorised so, received from the Credit and Investment Management Department in line with the Policies of ICBC Head Office, are evaluated.</p> <p>We maintain a close business relation, with regards to fund transactions prioritising green finance, with the institutions such as EBRD (European Bank for Reconstruction and Development), IFC (International Finance Corporation).</p> <p>Credits for which PLM Report (<i>Post Loan Management Report</i>) is prepared, are traced by our business units beginning from the start of agreement phase, until expiry of the process, and</p>	
--	--	--	--	--	---	--

						<p>when required, the situation shall be traced in coordination with related business lines. In the projects involving huge amounts or multiple participants, supervision is conducted for technical and operational processes. Regarding specifications which are required by a consortium, consulting services can also be received.</p> <p>The Bank, attaching importance to integrating efficient use of resources into its corporate culture; encourages its employees fervently to adopt it as a principle that they conduct their operations with an environmentally friendly approach, observing energy saving, and to avoid squandering and waste.</p> <p>Furthermore, when selecting a supplier firm in the procurement processes in accordance with the Bank's needs, priority is given to the firms which are sensitive to the environment.</p>	
B6	Given in A2.4.	X					
B7	It has been disclosed to the public how environmental issues are managed in a manner covering the suppliers and customers during the company's value chain including the operation process, how they are integrated into the business targets and strategies.	X					2021 Sustainability Report/ Page 38-39 , 42
